Organize squares on design board/ table, background in the 4 corners around the center piece.

This will be a modified 9 patch.

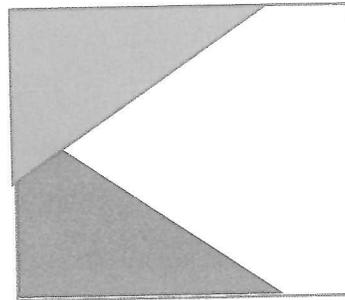

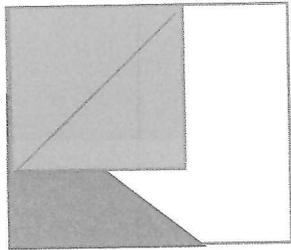

Place background square and Point square right sides together. Sew corner to corner. Trim leaving 1/4" seam. Press to point side, these are on bias, press gently.

*el*

Place second point on opposite corner, sew corner to corner. Trim leaving  $\frac{1}{4}$  " seam and press to point side.

Repeat making 3 additional squares with 2 points each.

Arrange point blocks with background pieces. Sew rows 1, 2, 3 then sew 3 rows together, press toward points.

Overlapping of points can go all one direction, alternate or mix & match. Personal choice.
